EDUCATION, ENRICHMENT & CARE
Early Childhood Education Programs

The **Burbank Community YMCA** provides early childhood education to children from infancy through 5 years of age.

In addition to early learning, we offer exceptional enrichment and out of school learning for student in TK through 5th grade, including transportation to and from school in the city of Burbank.

We are committed to youth development, healthy living and social responsibility. We are proud to be accredited through the National Association of Education for Young Children (NAEYC) and hold high standards for quality education for children.

What are we all about and what do you get? Our early learning and child development programs are based on traditional early childhood pedagogy using play based methods of teaching and influences from Reggio Emilia throughout our curriculum and environments.

Your monthly tuition includes:

- Fulltime early learning care
- Out-of-school-time enrichment
- Homework assistance
- Transportation
- Y youth classes

Early learning infant through preschool tuition includes:

- Family style meals
- Formal assessment system and observations
- Low classroom ratios

All enrolled families receive a full family membership to the Burbank YMCA!
