# MY Y STORY

**COMMUNITY.  
SERVICE. FUN.**

## **BURBANK YMCA SERVICE CLUB**

### **OVER 70 YEARS OF SERVICE**

Camp Earl Anna. Basketball. The Child Development Center's STEM equipment. Four vans that transport school-aged children to the Y's after-school programs. Re-tiling the pool. Youth and Government scholarships. New flooring for the ground floor of the Y. What do all of these have in common? They are projects the Burbank Y Service Club has funded over the last 73 years.

The Burbank Y Service Club typically provides over 2,000 hours of volunteer labor over the course of one year for the Y. Last year alone the Club generated over \$33,000 for the Y through its various fund-raising activities.
