Policy Statement

The YMCA provides services for any person or family who desires to participate regardless of the ability to pay the standard program fee. Those that may not be able to pay the full fee may be awarded assistance based on their demonstrated ability to pay and the YMCA's ability to provide funding. Due to the demand for financial assistance, the YMCA must follow the eligibility guidelines described below. The YMCA reserves the right to adjust assistance as needed during any given calendar year. Notice will be provided in writing to our members when adjustments will be made. All rules and policies including, but not limited to, the Code of Conduct must be adhered to at all times while in the YMCA facilities or at YMCA sponsored events. Any violations may result in disqualification of Assistance. Approval of Financial Assistance will not extend to programs outside of the CDC.

Eligibility

1. Scholarships will be granted on the basis of financial need.
2. Applicants will be asked to pay a portion of the fees in addition to the scholarship provided by the YMCA.
3. If a child leaves the program, their scholarship will then be given to another qualifying applicant.
4. All past due balances must be paid to the satisfaction of the YMCA to be eligible for new or continuing Financial Assistance.

How to Apply

1. Applications are available through the Child Development Center during normal business hours. All records will be kept confidential.
2. Applicants must fill out the attached Financial Assistance Application **completely** to be considered for financial assistance.
3. Applicants are required to provide verification of household income. (*The YMCA requires two current consecutive payroll stubs and the most current federal tax returns*). All records will be kept confidential and will be either returned or destroyed upon completion or termination of the program.
4. If any member of the household is currently unemployed for any reason, including disability, documentation of unemployment is required.
5. **All** sources of household income should be reported (this includes alimony, court ordered and non-court ordered child support, disability, worker's compensation, and any other government assistance). Documentation is required.

The applicants will not be registered for programs until they satisfy their portion of the specified program fees.

Selection Process

1. Scholarships will be awarded on a first come, first served basis, subject to available resources.
2. If financial resources are unavailable, applicants will be placed on a wait list. If financial resources become available, applicants on the wait list will be contacted on a first come, first served basis.
3. Financial Scholarship applications will not be reviewed until all required documentation has been received by the YMCA. Applications will be returned to applicant if the documentation requirement is not met.
4. Eligibility of financial scholarship will be determined by the program directors, based on a thorough review of the application and all supporting documentation.
5. Scholarships will be granted to the extent that funds are available.
6. Scholarships will be awarded annually. Recipients must reapply for scholarship support each school year.

The YMCA reserves the right to deny or end assistance to any applicant at any time.

Removal or Suspension of Participation

Abusing Financial Assistance will be grounds for disqualification of Assistance. If an account's status becomes past due, your child may be removed from the program for non-payment and financial assistance terminated. Upon payment of your account in full, the YMCA will consider the reinstatement of financial assistance, although it is not guaranteed.

By signing below, I acknowledge I have read and understand the financial assistance policies and procedures defined above. I also agree that failure to comply with these policies and procedures may result in immediate termination of YMCA services and all financial assistance.
