MY Y STORY

FUTURE LEADER ON AND OFF THE COURT

Jayden, 7th grade, joined the Y and signed up for Showcase Basketball two years ago because he loves basketball and he wanted to follow in his father's footsteps.

Elvin, Jayden's mom says, "We feel so blessed to have found Showcase at the Y. Showcase teaches the players to become better people. The staff is caring and passionate and I am very pleased with the program. Coach Jeff has played a huge role in Jayden's life. He has helped Jayden become a better athlete and he has taught him to do his best and never give up."

Along with improving his basketball skills, Jayden has made many new friends and his confidence has improved dramatically. Jayden said, "one of my best days a couple of months ago was when I made a lot of points during the game and all the kids were cheering and shouting 'MVP'. It was a proud moment for me."

Jayden hopes his dad is proud of who he has become. Coach Jeff says Jayden is a wonderful young man so we absolutely know his dad is very proud of him!
