# MY Y STORY

## CHANGING THE WORLD, ONE LEADER AT A TIME Youth & Government (Y&G)

These past four years in Youth and Government have been amazing for me. Through the years in Y&G, I have found my passion; to become a lawyer. In the process of learning the rules of the courtroom, Y&G had real practicing attorneys come and talk to us. They talked about some of the cases that they had encountered and in listening to their cases, I realized this is what I want to do. These women are making the world a better place and that's what I want to do.

I am so passionate about how the law can make a difference in someone's life. My senior year, I put it all out there and I ran for Statewide District Attorney. Jury Trial was stressful, fun and amazing. Even though I was not victorious in my run for District Attorney, I do not regret it. I faced my fears. I went into my last year with the motto 'regret what you did do, not what you didn't and I lived by that.'
